Supporting Veteran's for Peace's [Golden Rule: 2022-23 The Great Loop](#)

Veterans for Peace has recovered and restored the original peace boat, the [Golden Rule](#), that set sail in 1958 to stop nuclear testing in the atmosphere, and which inspired many peace makers and peace ships that followed. The restored Golden Rule is voyaging once more, to show that a nuclear peace is possible, and that bravery and tenacity can overcome militarism.

To support the Golden Rule Great Loop and their message of *A World Without Nuclear Weapons* we will be “passing the hat” and advocating for your support
